Argos 11 Meter USV

Our 11-meter class USV, is a **mission-proven** platform with years of autonomous operations with combined efficiency and performance, making it an ideal solution for a wide range of maritime missions.

- Over the horizon patrol: Keep a watchful eye on distant threats
- High Speed Interdiction: Respond swiftly to potential dangers
- Long range littoral escort: Protect critical infrastructure and high value assets
- Extended waterborne surveillance: Maintain constant vigilance
- Counter piracy protection: Detect Deter and Disrupt illegal activities
- Combat mission support: Provide vital assistance to frontline forces

We offer Full Capability Solutions:

- Designed and manufactured in the UAE
- Swift production turnaround
- Flexible and comprehensive training solutions
- Rapid and scalable maintenance packages
- Field mentoring & operational support

Technical Specifications

Length	11.5M
Width	3M
Draught	0.49M
Max Speed	45 Knots
Endurance	Subject to Payload/ Operational Tasking
Communications	Primary, Secondary, Tertiary SATCOM & 5G-LTE Capable
Range	300 NM (at cruising speed)
Primary Propulsion	Twin Waterjet
Maximum Payload	Multi-Modular Payload Configurable
Certification	European Conformity Certification
Additional Equipment Modification	Yes

Why choose us

As maritime experts, we offer a diverse array of products and services that are meticulously designed to meet the highest standards. Every project we undertake is driven by focus on quality and attention to detail, ensuring that you receive unparalleled service and results that exceed your expectations.

Excellence, Quality and Innovation

We are committed to delivering superior products and services through continuous improvement and a relentless pursuit of perfection.

Customer Focus

We prioritize understanding and exceeding our clients' expectations by building strong, long-term partnerships.

Sustainability

We are dedicated to minimizing our environmental impact and promoting sustainable practices throughout our operations.

Contact

We look forward to hearing from you!
Please feel free to contact us by
sending an email, we will get back to
you promptly.
